Dear Robert and Rick,

I am writing to express our official congratulations for the creation of our new Atchafalaya Golf Course at Idlewild for the people of St. Mary Parish, Louisiana. Frankly speaking, we feel we now have our state's finest golf course based on the opinions of the overwhelming number of statewide players who have enjoyed this magnificent golfing experience.

From start to finish, you two have provided frequent and responsible direction for the construction program for the contractor's interpretation of your fine design. The resulting product has given us a course that is not only a great examination for all golfing abilities, but is visually presented in a natural manner that comfortably fits into the unique and magnificent character of the Atchafalaya Basin.

Sincerely,

WILLIAM A. CEFALU
PARISH PRESIDENT
