AND COUNTRY CLUB

Dear Stubby,

Just a note of appreciation for your gracious hospitality while Shirley and I were in Lufkin last weekend. Your thoughtfulness was greatly appreciated, and I would appreciate it if you would pass on our sincere thanks to all involved.

As I mentioned to you before, the golf course is the nicest modern day course I have seen in probably the last fifteen years. You should be very proud to have such a challenging course in Lufkin.

Again, thanks for your wonderful hospitality, we enjoyed ourselves thoroughly.

Sincerely,

A handwritten signature in dark ink, appearing to read "Gene Littler". The signature is fluid and cursive, with a large initial "G" and a long, sweeping underline.
