Dear Bruce;

I would like to comment on a few things concerning the 1980 Tucson Open.

First, let me say that your presence in the tower on #18 is quite refreshing and you are to be commended for the fine job you have done in announcing and commenting on the tournament.

Secondly, your statement acknowledging the fine condition of the course and giving the credit to Superintendent Greg Graham is quite commendable and appreciated by all who know Greg.

Last of all, I feel you and Mr. VonHagge are to be commended on the design and construction of the 10 new holes at Tucson Nat'l. It is a joy to watch the Tucson Open on such a beautiful course.

Thank you for your contribution towards better golf.

Sincerely,

Art Snyder
Superintendent Tucson Country Club
